WHAT ARE INDIANA'S EXECUTIVE ORDERS AND WHAT ARE THEIR EFFECTS?

On March 19, 2020, Indiana Governor, Eric J. Holcomb, issued Executive Order 20-06. On May 1, 2020, Indiana Governor, Eric J. Holcomb, issued Executive Order 20-25. Stated simply, together the orders prohibit the filing of evictions in Indiana until the most recent one expires on June 4, 2020. Indiana courts remain open; however, court sessions will generally only be conducted virtually or by telephone whenever reasonably possible and any legal services requiring face-to-face encounters will generally be postponed unless the failure to meet in-person will have a significant adverse impact on the client's financial or legal position. Judges and court staff are working, some remotely, and are attending to necessary business during this time.
