WHAT ARE INDIANA'S EXECUTIVE ORDERS AND WHAT ARE THEIR EFFECTS?

On March 19, 2020, Indiana Governor, Eric J. Holcomb, issued Executive Order 20-06. On June 30, 2020, Indiana Governor, Eric J. Holcomb, issued Executive Order 20-33. Stated simply, together the orders prohibit the filing of evictions for **NON-PAYMENT OF RENT** in Indiana until **August 1, 2020** for properties not subject to the CARES Act. If you have any questions regarding the CARES Act and its application, please do not hesitate to contact our office directly.

Executive Order 20-33 allows **EMERGENCY EVICTIONS** to be filed. Emergency evictions are limited to circumstances where there is *specific immediate and serious injury, loss or damage to the property*.

Please contact Landman Beatty, Lawyers if you have a situation that rises to the level of an emergency. We will evaluate the situation on a case by case basis and will file emergency evictions as permitted by Indiana law.

Indiana courts remain open; however, court sessions will generally only be conducted virtually or by telephone whenever reasonably possible and any legal services requiring face-to-face encounters will generally be postponed unless the failure to meet in-person will have a significant adverse impact on the client's financial or legal position. Judges and court staff are working, some remotely, and are attending to necessary business during this time.

TO ALL WHOM THESE PRESENTS MAY COME, GREETINGS:

WHEREAS, on March 6, 2020, I issued Executive Order 20-02 which declared that a public health emergency exists throughout the State of Indiana as a result of the coronavirus disease 2019 (COVID-19) outbreak in the United States and a confirmed report of the disease in our State and this initial declaration has been extended by me in Executive Orders 20-17, 20-25 & 20-30;

WHEREAS, on March 11, 2020, the World Health Organization declared COVID-19 to be a global pandemic and, on March 13, 2020, the President of the United States declared a national emergency with respect to this dangerous virus;

WHEREAS, as of the date of this Executive Order, the virus has now spread to every county in our State, with over 45,000 confirmed cases and over 2,400 deaths;

WHEREAS, those who work in clinics, hospitals, and care facilities are heroes fighting this disease and are being stretched to capacity and beyond, requiring additional steps to reinforce them;

WHEREAS, the financial impact on Hoosiers has been significant and severe with Indiana's unemployment rate increasing from 3.3% in May 2019 to 17.5% in April 2020 with a decline to 12.3% in May 2020;

WHEREAS, as Governor, under Indiana's Emergency Management and Disaster Law, Ind. Code ch. 10-14-3 ("Emergency Disaster Law"), I have authority to take actions necessary to prepare for, respond to and address a public health disaster emergency including the following:

- making, amending and rescinding the necessary orders, rules and regulations to carry out the response to a public health disaster emergency;
- suspending the provisions of any regulatory statute prescribing the procedures for conduct of state business, including the orders, rules or regulations of any state agency if strict compliance with any of these provisions would in any way prevent, hinder, or delay necessary action in coping with the emergency;
- transferring the direction, personnel, or functions of state departments and agencies or units for performing or facilitating emergency services; and
- using any and all available resources of state government and of each political subdivision of our State as reasonably necessary to cope with the public health disaster emergency;

NOW, THEREFORE, I, Eric J. Holcomb, by virtue of the authority vested in me as Governor by the Indiana Constitution and the laws of the State of Indiana, do hereby order:

1. **Prohibition on Residential Rental Property Evictions and Mortgage Foreclosures Extended**

- c. *Emergency Evictions:* Notwithstanding the prohibition on filing evictions being continued through July 31, 2020, a landlord may institute an emergency eviction or possessory claim under the limited circumstances set forth in Indiana Code ch. 32-31-6 which permits evictions where there is specific immediate and serious injury, loss or damage to the property, however, evictions for nonpayment of rent are not permitted until on or after August 1, 2020.

Utility companies, municipalities and customers are encouraged to work together to establish reasonable payment plans for past due accounts. Utility companies are strongly encouraged to offer payment plans of at least six months to all customers. Customers and utilities should set up payment arrangements as soon as possible to avoid later discontinuation of utility service.
