

To Friends of St. Simon the Apostle Catholic Church:

The St. Simon Family has gathered, worshiped, learned and played in the spirit of Christian unity, involving many local partners and businesses for more than 50 years. We, the Catholic Community of Saint Simon the Apostle, are prayerful and caring. As disciples of Jesus, our mission is to lead all people to encounter and receive His love. Together, we joyfully celebrate the sacraments, generously serve our neighbor, and educate children, young people and adults in the faith. We pursue God's unique plan for our growing parish and encourage and support each other on our journey to heaven.

This year our Parish also seeks to "grow our presence as an anchor in the local community". We hope that opening our Parish grounds to the community for three days of family-friendly activities including amusement rides, children's games, live local music, dancing, food, beer garden, gaming and more during the weekend of **June 8th, 9th and 10th** for our 21st Annual St. Simon Festival at this location.

We are currently seeking sponsors for the 2017 St. Simon Festival. We are reaching out to you in hopes that you will lend your company's name in support of the Event. Many different levels of sponsorship are available for your consideration and are outlined on the following page. Joining our Festival as a sponsor could meet both charitable and marketing opportunities for your organization as well as afford the opportunity to support the Catholic community. In exchange for your sponsorship, your company's name will be prominently displayed during the Festival and, depending on the level of sponsorship chosen, in advertising and promotional materials as well. Should you not see a sponsorship level which meets your company's needs, we are also open to unique, in-kind, or trade opportunities. Please take a look at the sponsorship opportunities available and note that all contributions to St. Simon are tax deductible!

By supporting the 2017 St. Simon Festival, you will become an essential component of its success, thereby enriching the fellowship within our community and enabling us to further the mission of St. Simon Parish. We appreciate your consideration and hope that you will find the 2017 St. Simon Festival a worthy outlet for your charitable and marketing dollars. In return, you can expect plenty of visibility at an Event that promises, once again, to be a widely attended (approx 25,000 people) Festival weekend. We will follow up very soon, but should you have any questions regarding sponsorship, please do not hesitate to contact us (see Sponsor Form for contact information). God bless.

Sincerely,

Father Bill Marks and the St. Simon Festival Committee
