Teacher sponsors: If you can find the time to send your wrestler a positive note of encouragement on these days, THAT WOULD BE GREAT!!! Teachers in the past have sent fruit such as bananas, oranges, grapes, or apples. You are a teacher sponsor, this means that a wrestler selected YOU as a staff member because he/she looks up to you and could use your encouragement during the long season. Thank you for your support in the promotion of Warren Central Wrestling as we strive to be the best Student Athletes. Note: Teachers, Mr. Shepler has enthusiastically allowed this promotion, but you cannot wear jeans on these days unless otherwise specified by Mr. Shepler. Teachers sponsor shirts are \$50 this year. This is a deal for those who like dress down days and want to support the wrestling program. Please return the attached form with your money to Coach Tonte or your wrestler.
