Brookview Elementary PAW PRINT

The CORE Connection

Where did October go? I hope that you and your family were able to relax and recharge as I was with my family. Now that we are back, we have hit the ground running! We celebrated National Red Ribbon Week this week here at Brookview pledging and celebrating being drug and tobacco free, so that we can be the best that we can be!

Next week we will celebrate EUREKA Week! Students and staff will engage in activities that highlight and emphasize all of the Math skills we have been learning this year. Students will come home sharing their successes and all things Eureka. Make sure to ask your students each day what they did with Eureka. Follow our Twitter feeds #Eurekaweek and you can be a part of this fun week of learning.

I appreciate your help next week as well by making sure students keep costumes and candy at home so that we can keep our focus on learning.

October is bus driver appreciation month. Take a moment to tell your child's driver "Thanks" for getting your child to and from school safely.

November 1st will be our next skating party, at Roller Cave, from 6:00 p.m. - 8:00 p.m. We need everyone to come out so that Brookview can win the attendance contest AGAIN! We crushed it last time, and I know we can do it again - so come one, come all, and GET YOUR SKATE ON!

Thank you for your support and the opportunity to educate your children here at Brookview, where each child, each day is a success.

Dress for Outdoor Recess

As the weather is turning colder please keep in mind that your child is still expected to go outside for recess. Students have a 20 minute recess each day. Every student will go outside unless there are unforeseen circumstances. Our district temperature threshold is 20 degrees for going outside with the wind chill also being taken into consideration. In other words, if the temperature is 25 but the wind chill falls below 20 degrees, students would remain indoors for recess. Recess is good for students socially and physically, however there may be times where students are not feeling well. If a parent requests that their child remain indoors, they can write a letter with that request for up to 2 days. If it is longer than 2 days, a note from a doctor will be required to keep the student in from recess. Please ensure that your child is prepared to enjoy their recess by dressing them appropriately for the colder temperatures.
