The CORE Connection

THANK YOU to everyone who came out to our McDonald's McTeacher Night!

Thanks to your awesome participation and love for cookies, we raised \$900 that we will use to celebrate our students for CORE behavior and academic success. A special THANK YOU to the staff who worked hard baking, serving and selling after a long day at work! Your dedication is appreciated.

Next Thursday, August 24th, will be our annual Math Night. I hope all of our families can come out and enjoy the fun activities we have planned. There will be games and activities that make Math fun for all ages.

As we strive to be a school that meets the need of all stakeholders, I hope you will take time to fill out the survey at the link included to share your thoughts and ideas about how to improve our school. The survey can be found here at this link <http://bit.ly/2wPuudC>. Help us make OUR school better! We may be the best school around, but there is always room for improvement. We always welcome your feedback!

Thank you for your support and the opportunity to educate your children here at Brookview, where each child, each day is a success.
