# Brookview Elementary PAW PRINT

## The CORE Connection

What a great week we have had with our fun family events. Last Friday, we had our first Friday Night Live and we had a fantastic turnout! GameStop came and helped make it a wonderful night!

Wednesday night, we had a spectacular skating party with our best turnout in years! Thank you for your support of this event.

Last night, our Math Night, brought out many families who had fun and students learned a little along the way.

This year we will be emphasizing the importance of preparing for college and careers after high school. This bulletin board will highlight some of Indiana's best colleges.

Our Brookview staff will soon be showing their college colors and pride for their alma maters. We know that the skills and foundations our Bulldogs are learning here at Brookview will make them 21st Century Collegiate Scholars. I hope our conversations about college and career will make it home and make for great family conversations for all of our families.

Thank you for your support and the opportunity to educate your children here at Brookview, where each child, each day is a success.

Your Principal,
