Brookview Elementary PAW PRINT

The CORE Connection

Greetings Brookview Families!

This is an exciting time of the year! We have passed the halfway mark and are coming up on our 100th day of school! Our students have grown a lot in a lot of ways since August, and they are excited to talk about that with you. Students were sent home with two important documents this week...a semester one report card and the NWEA Winter test results. Please invite your child to discuss these with you as the students have worked really hard this year and have a lot of exciting news to share!

Every parent should also have received a letter in the mail in regards to attendance. The intent of this letter is to inform you as a parent of how your child's first semester attendance compares to district and state expectations. Please know that if your child has missed four days of school or fewer, he or she is either meeting or exceeding the expectations and should be celebrated for their accomplishment! It has been brought to my attention that in some cases the wording of the letter may have been confusing. I apologize for this and would welcome the opportunity to answer any questions you may have.

I look forward to celebrating many more successes with your students this semester!

Every Minute Counts!
Stay all day . . .
From start to finish,
class time matters!

Sincerely,

Noël Wilson

School Delays and Closings

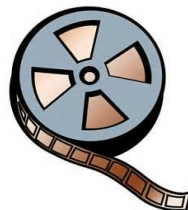

It's that time of year when school can be delayed or closed due to weather conditions. If there is a delay or closing, you will receive a call from our automated calling system to the phone number you provided to our school. Please be sure the office has your current phone number. You can also see the information on your favorite local news station by looking for MSD OF WARREN TOWNSHIP. There is also an APP you can download to receive alerts from MSD OF WARREN TOWNSHIP directly through your iPhone or Android device.

4th Grade Social Films

Brookview will show the Human Growth and Development videos separately to fourth grade boys and girls on Wednesday, Jan. 31st. Following the showing of the videos, discussion will be led by personnel from the Social Health Association.

For more information, visit www.socialhealth.org/parents/portal to access the Parent Portal using the password: healthykids.

If you do NOT want your child to participate, please sign and return the form that was sent home this week, prior to January 31st.

Birthday Treats

Cupcakes and treats brought in to school MUST be store bought and have ingredients listed on the package. As always, due to allergies, balloons are NOT allowed in the building.
