All 1st and 4th grade students will be having a State Mandated hearing screening and all 1st and 3rd grade students will be having a State Mandated vision screening during the week of Sept. 10th. All students that are new to the district will also have both screenings. This is a free service from the Marion County Public Health Department that will be provided here at Brookview. You will only be contacted if your student(s) has been given a referral for further screening. If you have a student in another grade level that you would like to be screened, please send in a note specifying your concerns.
