Brookview Elementary PAW PRINT

The CORE Connection

Dear Third and Fourth Grade Bulldogs,

You are a student....You are a student who has worked very hard in a lot of ways, both inside and outside of the classroom. You and your teachers have spent a lot of time preparing and practicing for the ISTEP test that you will all take next week. I need you to know that I believe in you. Your teacher believes in you. We believe that each and everyone one of you has special gifts and qualities that make you you. Many of those qualities cannot be measured by this test. This test does not measure how kind you are. It does not tell us what kind of a friend you are to others. It will not show us how creative you are or how smart you are. All of these things make you a very special and unique kid.

What will this test tell us? It will give us valuable information about you as a learner, so that we can ensure that you are successful as a student. It will tell us if you need a little extra help with some of your academics or if you need to be more challenged in your school work.

But one of the most important things that this test will tell us is...what are you made of? How hard do you try when something gets hard...do you push through or do you quit? Do you always give your best? This test is a test of your will and strength! Do you have the mental strength to stay strong and keep trying when you get stuck or tired? Are you able to keep your mind clear and think through the strategies that you have been taught? Above all else, these are the qualities that will carry you through life and ensure that you are successful at whatever you try. PERSEVERANCE is key!

I believe that each of you is strong...You have what it takes to try your best and keep going even when things are hard. I see you do it everyday! I believe in you! Your teachers believe in you! I hope that you believe in yourself!

I can't wait to see you rock this test! You've got this because you have what it takes! You are strong and capable.

**IREAD 3
PARENTS
MEETING**

**Monday, March 5th
6:00 pm. to 6:30 p.m.**

With love,

Mrs. Wilson
Your Principal

Brookview Elementary

DANCE

IREAD 3 and ISTEP+ TESTING

ISTEP+ Part 1 testing for 3rd and 4th grades began February 26th. IREAD for 3rd grade will begin soon after. We have been working hard to practice and learn skills so that we are ready for the tests. There are many things you can do to help your child(ren) be successful on the test. Please schedule any doctor appointments, trips and special events so that students do not miss school on these days. Once testing sessions begin they can not be interrupted. It's very important to make sure your student(s) are in school every day, on time and well-rested. Without putting too much pressure on them, encourage them to do their best on the ISTEP and IREAD tests. Together, We Can Make A Difference!

**ATTENDANCE
MATTERS!
Everyday. On-time.**
