LABOR DAY

Monday our students will not come to school in observance of the Labor Day holiday.

This is a day to celebrate the great workers of America. All of the laborers who have made our country great, are afforded this day to rest. So to all of you out there - no matter what job you have or what work you do - I wish you the happiest of Labor Days.

I hope this day will open up an opportunity to talk to your students about college and career readiness. What plans do they have for their future and what path will they take to get there? We are asking these questions every day and guiding students to

gain the skills and knowledge to be successful in any 21st century career they choose.

This marks the official end to the first half of the 1st quarter of the school year. Your students will be bringing home NWEA test results as their midterms. Please look these reports over and reach out to me or your child's teacher with questions or concerns. Students will have goals for how to raise scores by the middle of the year. Please ask them about their goals and plans for this semester.

Thank you for your support and the opportunity to educate your children here at Brookview, where each child, each day is a success.

Your Proud Principal,

Charles Woods
