Brookview Elementary PAW PRINT

A Learning Community In Which Everyone Grows

Hello Brookview Families,

Daylight Savings time is this weekend. Remember to set your clocks back 1 hour on Saturday night.

SCHOOL ATTENDANCE MATTERS!

Showing up for class matters. Students can't benefit from investments in high quality instruction and more engaging, rigorous curriculum unless they are in their classroom.

We look forward to seeing all our students each and every day.

Tuesday, November 6th is a Professional Day for teachers.

There is NO SCHOOL for students.

Humbly,

Mrs. Price, Principal

BROOKVIEW IS GOING GREEN!

We are now switching to a digital version of our Paw Print newsletter. Please call the office if you need to update your email address with us.

Outdoor Recess

As the weather is turning colder please keep in mind that your child is still expected to go outside for recess. Students have a 30 minute recess each day. Every student will go outside unless there are unforeseen circumstances. Our district temperature threshold is 20 degrees for going outside with the wind chill also being taken into consideration. In other words, if the temperature is 25 but the wind chill falls below 20 degrees, students would remain indoors for recess. Recess is good for students socially and physically, however there may be times where students are not feeling well. If a parent requests that their child remain indoors, they can write a letter with that request for up to 2 days. If it is longer than 2 days, a note from a doctor will be

required to keep the student in from recess. Please ensure that your child is prepared to enjoy their recess by dressing them appropriately for the colder temperatures.
