## The CORE Connection

Greetings Brookview Families!

This is such an exciting time of year! Classrooms are all a buzz with holiday activity and end of the semester celebrations!

Last Thursday, many of our Brookview families were able to come out and enjoy a fun-filled, festive night at our winter musical "It's Winter Again!" I could not have been more proud of our Second grade students and the Brookview Beats! They all did an incredible job! And if you get a chance, please be sure to thank our fabulous music teacher, Mrs. Angie Wilson. Her dedication to every detail made the night a HUGE success!

Next week students will have an opportunity to participate in many fun activities including the CORE Celebration on Friday, December 22nd. This will be one of the biggest days of the year!! One not to be missed! Many classrooms will also have other fun, holiday related activities planned throughout the week! Please ask your student to share with you about the exciting things happening at Brookview!

Our awesome PTA has planned a few surprises for next week to help us celebrate! As part of our celebration, the PTA will be providing cookies and punch for classroom parties. Due to students with food allergies and/or restrictions in most classrooms, we are requesting that parents do not provide additional snacks and drinks for classroom parties. We want to be sure that everyone is able to enjoy the festivities safely. We thank you in advance for your understanding.

Thank you for your support and the opportunity to educate your children here at Brookview, where each child, each day is a success.

Sincerely,

Noël Wilson

# Dress for Outdoor Recess

As the weather is turning colder please keep in mind that your child is still expected to go outside for recess. Students have a 20 minute recess each day. Every student will go outside unless there are unforeseen circumstances. Our district temperature threshold is 20 degrees for going outside with the wind chill also being taken into consideration. In other words, if the temperature is 25 but the wind chill falls below 20 degrees, students would remain indoors for recess. Recess is good for students socially and physically, however there may be times where students are not feeling well. If a parent requests that their child remain indoors, they can write a letter with that request for up to 2 days. If it is longer than 2 days, a note from a doctor will be required to keep the student in from recess. Please ensure that your child is prepared to enjoy their recess by dressing them appropriately for colder temperatures.

# CANDY CANE GRAM SALES

# Candy Cane Grams

will be on sale from Monday, Dec. 11th through Thursday, Dec. 21st. Students will be able to purchase a candy cane to be sent to a friend, Teacher, or someone special for only .50 each. The Grams will be delivered each day.
