## Dress for Outdoor Recess

As the weather is turning colder please keep in mind that your child is still expected to go outside for recess. Students have a 20 minute recess each day. Every student will go outside unless there are unforeseen circumstances. Our district temperature threshold is 20 degrees for going outside with the wind chill also being taken into consideration. In other words, if the temperature is 25 but the wind chill falls below 20 degrees, students would remain indoors for recess. Recess is good for students socially and physically, however there may be times where students are not feeling well. If a parent requests that their child remain indoors, they can write a letter with that request for up to 2 days. If it is longer than 2 days, a note from a doctor will be required to keep the student in from recess. Please ensure that your child is prepared to enjoy their recess by dressing them appropriately for colder temperatures.

## CHARTWELLS

Chartwells wants your feedback completing a survey to make your child's lunch experience more enjoyable!

Please use this link:

## LOST & FOUND

If your child is missing glasses, coats, hats, jackets, gloves, sweatshirts, lunch boxes, or anything else please have him/her check out the lost and found. It is overflowing! It will be cleaned out on DECEMBER 21st and all unclaimed items will be donated.
