Brookview Elementary PAW PRINT

The CORE Connection

September 11, 2001 is a day we will never forget.

Warren Township and Brookview Elementary remember and honor those who lost their lives that day.

We had another great week here at the View! As I was in classes throughout the week, I was impressed with the thinking our students are doing in Math. They are breaking down problems and using many different ways to understand and solve problems. Ask your students to show you some of the great strategies they are learning in Math, like number bonds and tape diagrams.

Next week promises to be great as well, as we host our annual Literacy Night on Thursday, September 14th. We will have an important IREAD meeting from 6:00 p.m. to 6:30 p.m. to discuss the upcoming 3rd grade IREAD test. We will share with you important information about the test as well as ways to support your student at home as he/she prepares for the test this year. Our Parent Resource Room will be open to check out materials. After this short meeting, we will begin all the Literacy Night fun with activities for all grades and parents too! We hope to see you Thursday night!

During the month of September we will be having attendance drawings and awarding prizes to students who are here and on time every day! At the end of the month, we will have a grand prize drawing for a \$25 gift card. School attendance has a strong impact on student achievement and overall success in school.

Finally, Blue the Colts mascot will join our K-4 students here on Monday, September 11th at 10:00 a.m. to discuss the importance of recycling and renewable energy.

Thank you for your support and the opportunity to educate your children here at Brookview, where each child, each day is a success.
